

# Types of Procurement

---

- ❑ Purchases of under VND 100 million (about US\$5,700): hospital can purchase without bids
- ❑ Up to VND 150m (about US\$8,570): bidding must be organized but hospital can nominate the bidding supplier.
- ❑ Over VND 200m (about US\$11,420): results of bidding must also be approved by Health Service or Ministry of health
- ❑ Bidding suppliers can be limited for more expensive or specialized devices
